You are cordially invited to attend the **2026 Military Health System Research Symposium (MHSRS)**—the U.S. Department of Defense's premier scientific meeting that focuses specifically on the unique medical needs of the Warfighter—taking place **3-6 August 2026, at the Gaylord Palms Resort & Convention Center, in Kissimmee, Florida, USA.**

The MHSRS draws more than 3,000 military medical care providers with deployment experience, Department of Defense scientists, academia, and industry. In 2025, more than 1,900 highly vetted sessions, plenaries, and posters will be offered, covering topics on Warfighter Medical Readiness, Expeditionary Medicine, Warfighter Performance, and Return to Duty. In addition, participants have an opportunity to meet face-to-face with 100+ leading manufacturers and suppliers, as well as companies on the forefront of technology, that are committed to advancing and improving the unique medical needs of the Warfighter.

Visas: The U.S. regularly updates its visa policies to increase security for our citizens and visitors. It may take you longer to get a visa than it used to, and you will find that a few new security measures have been put into place. Please visit travel.state.gov for complete information on visa policies, how to get a visa, visa news, or to locate a consular office. For details that may apply specifically to your country, visit usembassy.gov.

Please note: MHSRS and its Show Management Contractor, The Bridge Group, LLC, have no influence on the decision of any U. S. Embassy or Consulate to approve or reject any application for a visa to enter the United States. As an applicant, it is your responsibility to present legitimate reasons for attending the Worldwide Energy Conference and provide all necessary documentation to support your request for a visa. MHSRS cannot assist you with the visa application or interview process, nor can we contact the embassy or consulate on your behalf to support your visa application.
